SUBHAM PANIGRAHI

APPLYING FOR: WEB-DEVELOPMENT TEAM

OVERVIEW

I am someone who takes great pleasure in Development of Websites, Web-Pages and Web-Applications. I also happen to have a keen interest in Machine Learning and AI.

My objective is to attain an engaging position in Web Development, Design and Social Media which is optimal for personal growth and discovery. This includes working in a team-oriented environment as surrounding myself with like-minded individuals is a high priority.
